

To add a pre-conference workshop to your registration, follow the steps below:

- [Log in](#) to the registration system and on your dashboard
- Click on the 'Registered' link

- Click next through your conference registration options until you see the list of pre-conference workshops

Each workshop is \$40 to attend.

If you would like to attend the full day, the cost is \$100. This will allow you to select 4 workshops, please view the **Pre-Conference program** to see which workshops you would like to attend. You can only attend one of the workshops in each block, for example you could attend workshop 3 and 4 but not workshop 5 and 6.

Workshops 1 and 2 are both two-parts workshops. You must attend both parts of the workshop.

Workshops 4 and 5 have been organized by the ISCR REACH Committee. To allow as many people as possible the opportunity to attend these workshops, there is no cost for these two workshops.

[Full workshop descriptions are available here.](#)
